ABOUT US

Circle Foods source and supply food across all 6 continents worldwide. Our experienced multinational team has developed an extensive network of top-quality suppliers from all corners of the world, allowing us to source and deliver the most competitively priced protein in any given month of the year. We are fully committed to providing the highest levels of service to both our suppliers and customers, being the trusted link from field to market.

Circle Foods are accredited members of The International Meat Trade Association, The Agricultural and Horticulture Development Board (AHDB), The British Retail Consortium and The USA Poultry and Egg Export Council.

Your trusted food partner

MEAT

**POULTRY / BEEF /
PORK / LAMB**

We are specialists in beef, lamb and goat and have been supplying customers quality cuts globally for many years. Pork is in our DNA; we are the largest importer of French pork to the UK and trade pork into over 50 countries worldwide. We also supply a full range of poultry products.

We have exported a number of containers working with Circle Foods. They have a **strong knowledge** of the seafood market in Africa and are keen to exchange information helping us move a large amount of frozen fish from Japan with them. Every step of the way they are **professional and well organized**. We hope to be doing even more business with them in the coming years.

Circle Foods supplies a wide variety of dairy products to our customers globally. UHT milk, butter and a wide variety of cheeses are a few of the items that we regularly trade.

FULL CIRCLE FOOD SUPPLY SERVICES WORLDWIDE.

QUALITY ASSURANCE

We understand that the marketplace is constantly evolving and becoming ever more complex. Our experienced team recognise the need to demonstrate supply chain control, which is vital to ensure we comply with the demands and requirements of our diverse customer base.

We have a full time multilingual Technical and Quality Assurance team whose role is to implement appropriate Quality Assurance procedures to demonstrate Due Diligence, provide support for our buyers, review and issue specifications for our customers, and provide comprehensive technical guidance and assistance to both our suppliers and customers. This is to ensure we are not only meeting the requirements of the importing country but also providing the exact product our customers require.

Circle Foods is your partner for new product development projects. From initial requirements through R&D to final delivery, our experienced team will be by your side along the way.

Our Cardiff office is certificated against BRCGS Agents & Broker requirements (AA grade) along with Red Tractor certification, which applies to qualifying UK Red Tractor approved sources and products only.

FINANCE SUPPORT

Circle Foods have extensive knowledge of international financing and we offer tailored payment solutions specific to each of our suppliers' and customers' individual needs.

We can offer multiple payment options ranging from but not limited to Letter of Credits, bank guarantees and multiple currency options. We are here to help our partners manage their risk and provide the best credit options available.

LOGISTICS

We know that timely deliveries are key to our partners' value chain. From global shipping market benchmarking to local import regulations and requirements, our dedicated logistics team has over 30 years' combined experience in the international food trade.

We understand each country has different requirements and also, each supplier and customer have their own specific needs. Our aim is to provide a smooth and transparent link between the supplier and customer so that they can focus on their core business.

CIRCLE FOODS ARE PROUD TO SUPPORT ‘SAVE THEM YOUNG’.

We have been operating in Ghana for over a decade. As a team, it became increasingly important for us to give back to the country that has given us so much. We wanted to find a project where we could make a real difference to the lives of those in need. It was through our partner in Ghana that we found the ‘Save them Young’ orphanage. The orphanage offers a much-needed lifeline to children who have been left without parents or guardians to take care of them. Save them Young is passionate about each child’s development, well-being, education and sense of belonging and we are proud to support their work through the supply of food, clothing and other basic necessities in cooperation with our Ghanaian partner. A number of our suppliers have also joined us in developing this initiative with the same key driver in mind, to help others. If you are interested in finding out more about how you could help, please contact us.

The International
Meat Trade
Association

Our Cardiff office is BRC approved and our Red Tractor certification applies to qualifying UK Red Tractor approved sources only.
